

SUNBEAM SOYA OIL

About The Product

- Made from the finest quality of soybeans
- Cholesterol-free
- Rich in Omega-3 & 6. These essential fatty acids cannot be produced by the body, but can be obtained from food. Omega-6 is important for brain development and Omega-3 helps to combat cardiovascular disease
- Rich in Vitamin E which is a natural antioxidant
- High in polyunsaturated fats, which help to reduce bad cholesterol levels and lower the risk of coronary heart disease
- Has high smoking point, making it great for frying and stir-frying
- Healthier choice for all types of cooking styles including baking, sautéing, and for salad dressing
